

## **MEMORANDUM OF UNDERSTANDING FOR COOPERATION IN RESEARCH**

between

Human-Machines Interaction (HMI) Laboratory, Department of Computer and Informatics Engineering, Eastern Macedonia and Thrace Institute of Technology (EmaTTech), Kavala, GREECE,  
represented by Professor Vassilis G. Kaburlasos, Ph.D.

and

Institute of Systems Engineering and Robotics  
Bulgarian Academy of Sciences (ISER-BAS), Sofia, BULGARIA  
represented by Academician Chavdar Roumenin, Director of ISER-BAS

The HMI Lab, EmaTTech, Kavala, Greece and ISER-BAS, Sofia, Bulgaria join in the agreement on the promotion of the following academic activities between the two institutions:

1. Applications for joint research projects.
2. Exchange of educational materials and academic publications.
3. Exchange of faculty members for research, consulting and lecturing.
4. Co-supervision of PhD and MSc students.

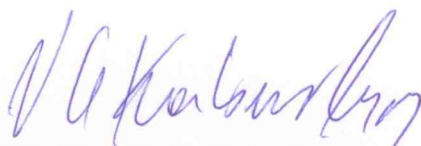

Themes of joint activities, the conditions for utilizing the results achieved and arrangements for specific visits, exchanges and forms of cooperation shall be negotiated individually for each specific case.

Both institutions understand that all the financial arrangements must be negotiated in advance of any exchange and will depend on availability of funds. This agreement does not impose any financial obligation on either institution.

The implementation of this agreement will commence upon signature of this document by both sides and the arrangement is valid thereafter for five years.

This agreement may be revised at any time by mutual arrangement, and may be terminated at any time by mutual written agreement or by a six month notice by either of the participating institution.

In particular, other departments and faculties of the two institutions may join the agreement.
